HAKKIMIZDA

1996 yılında kompozit ürünler imalatı ile adım attığımız sektörde; AKRİLİNE AKRİLİK olarak; solid surface alanında -her marka akrilik levhalara uygun- modifiye akrilik mutfak eviyeleri, banyo lavaboları ve tasarım ürünleri imalatı ile ilk günden beri inandığımız değerlerle, kalitemizi ispatlayarak; müşterilerimize, yüklenicilere, tasarımcılara ve mimarlara yüksek kaliteli, işlevsel ve mekanların bütünlüğünü sağlayan ürünler sunarak yolumuza devam etmekteyiz.

AKRİLİNE; bulunduğu sektöre güncel çözüm önerileri sunar. Bu süreçte faaliyetlerini yürütürken kaliteli üretim için gerekli organizasyonu sağlar. Öncelikle müşteri memnuniyetini, ülkemiz için değer yaratan bir kurum olmayı, çalışanlarına, topluma ve çevreye duyarlı bir şirket olmayı hedefler.

AKRİLİNE; profesyonel ve dinamik ekibi, kalite anlayışı ile ürün çeşitliliğinde Türkiye’de ilk, dünyada sayılı üretim firmaları arasındadır. Değişen ve gelişen dünyada tüketici beklentileri doğrultusunda sürdürülebilirlik ilkemizi koruyarak sektöründe lider, güvenilir ve saygın bir şirket olmayı amaçlar.

ABOUT US

In the sector where we took steps with the production of composite products in 1996; As AKRILINE ACRYLIC; In the field of solid surface, by proving our quality with the values we believe from the first day with the production of modified acrylic kitchen sinks, bathroom sinks and design products -suitable for all brands- of acrylic sheets; We continue our way by offering our customers, contractors, designers and architects high quality, functional products that ensure the integrity of the spaces.

AKRILINE; offers up-to-date solution suggestions to the sector it operates It provides the necessary organization for quality production while carrying out its activities in this process. First of all, it aims to customer satisfaction, to be an institution that creates value for our country, to be a company that is sensitive to its employees, society and the environment.

AKRILINE; professional and dynamic team, the variety of products with quality first in Turkey, is among the leading manufacturing companies in the world. It aims to be a leader, reliable and respected company in the sector by maintaining our sustainability principle in line with consumer expectations in the changing and developing world.

Dört farklı renk seçeneği tüm eviye ve lavabo modellerimizde bulunmaktadır. Talebiniz üzerine tüm akrilik levha markalarının renklerine uyum sağlanabilmektedir. Baskı tekniklerinden dolayı renk farklılıkları oluşabileceğinden özel renk seçimlerinde akrilik levha markalarının renk kodlarını bildirmenizi tavsiye ederiz.

Four different color options are available in all sink and washbasin models. Colors of all acrylic sheet brands can be adapted upon your request. Since color differences may occur due to printing techniques, we recommend that you inform the color codes of acrylic plate brands in special color selections.
